## LEADERSHIP & MANAGEMENT EXPERIENCE

### 2019 - 2020

- Lead Non-Consultant Hospital Doctor (NCHD), Mayo University Hospital  
A Health Service Executive supported position that serves as a formal link between NCHDs and hospital management. During my tenure, I carried out a number of projects including:
  - Quality improvement projects on reviewing and preventing clinical incidents involving NCHDs within the hospital; evaluating and improving ACLS/Resuscitations skills in NCHDs; a multi-site NCHD training survey focused on improving training experiences for NCHDs not on formal training schemes; review and implementation of new electronic discharge system; organizing an interview skills workshop for NCHDs.
  - Covid-19 preparedness within Mayo University Hospital including compliant on-call rooms and medical equipment; staff contact-tracing; rota and handover arrangements; Saolta group 'Compliance Champions' initiative.
  - Organizing NCHD-led bedside teaching sessions for final-year medical students in collaboration with the Mayo Medical Academy.
- RCPI Basic Specialist Training Trainee Representative, Mayo University Hospital
- Irish Medical Organisation NCHD representative
- Deteriorating Patients Management Committee, Mayo University Hospital
